TESTIMONY

I was in a crisis; my life had fallen apart. I was alone, tired of struggling to stay alive in what I saw as a jungle of hostile forces, and faced with a choice. I could lie down and die or stand up and live. From deep within me, that spark that had not been lost, the presence of God moved me to stand up and live.

I searched for the support and fellowship of shared faith. Doors were locked when I most needed to enter. Then, I found The Foundation Faith of God with open doors. In the presence of Founders (members) there is a tangible and absorbable awareness and presence of God.

With them, by experiencing and growing, I became free to be me. I was nourished and healed. Being with Founders supports my spiritual health and promotes my spiritual growth.

I had been reaching up to God and I came to know God is reaching down to me.

I am Joy, a child of God rescued from the darkness. I am free to be me.

I will forever thank God that I belong to Him and for the Founders who led me back to Him.

A TRIBUTE

In 1974, when this ministry was founded, we stepped out in faith, without sponsors, believing, as we do today, that if we are doing God's will, then He will provide the means. And praise the Lord, for He has.

If you are reading this, then probably you, and certainly thousands like you, have been the agents for that means, great and small, in prayer, in money, in supplying building materials for our new extension to Faith Center, in making our Newsletter possible by contributing printing, typesetting and paper, in donating automobiles and parts, appliances and parts, furniture, in providing medical and legal services, and on and on!

To mention everyone would literally take a book, but we want to single out four in particular: trainee minister, Brother Kevin Mendenhall, for his tireless devotion and generosity, Aide Bob Kellar, automotive genius, who keeps the ministry's cars and much else in good shape, Aide Joy Waxman for her help with many domestic needs at Faith Center, and Brent Williams for his tremendous contribution in the building of our new extension. Praise God for all and every one of you, and thank you.

FAITH CENTER - BY OUR FRUITS

"No good tree bears bad fruit, nor does a bad tree bear good fruit. Each tree is recognized by its own fruit. . ."

Luke 6:43-44

When we are in touch with God and working for Him, then the effects we create upon people are positive, loving, caring and compassionate, to name just a very few of the Lord's qualities! A tree is known by its fruits, a man by his effects. It really is that simple, as Jesus said. When God created us, He meant us to channel Him, to love and care for the earth and ALL its inhabitants, because that is what He does.

That is our purpose at Faith Center and in all branches and outreaches of The Foundation Faith of God: to create positive, loving, caring, healing effects, in the name of the Lord, upon all we reach out to, and upon all who reach out to us for help. We do it through the Clown Ministry, bringing God's love and laughter to seriously and terminally ill children, through our pet therapy program, bringing joy and companionship to the elderly, through counseling (including in Death Row), bringing compassion and understanding to those deeply troubled, through our international prayer fellowship, the Circle of Power, by which members all over the world ask the Lord in prayer to heal those sick or oppressed in body, mind or spirit (and He does!), through our work with and for animals, and in countless individual and unique ways, in person, on the phone, by mail, through the media, however and whenever the Lord seeks to use us.

Our appeal is also simple. If you believe in what we do, if you believe, as we do, that the Lord is using us to create positive, healing effects in His name, then please contribute as generously as you can to this, our annual appeal. Thank you and God bless you for your support.

Faith Center, Southeastern HQ for The Foundation Faith of God, and HQ for our international prayer fellowship, the Circle of Power, is the focus of much activity, both locally and far afield. Members are active in many American cities, in Canada, and across the ocean there is a powerful ministry in Ghana, West Africa. The following photographs convey a cross-section of the many facets of the ministry.

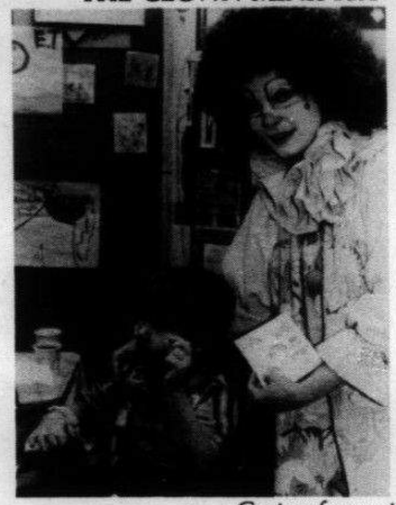
MEDIA OUTREACH

Media exposure helps people know of a place they can turn to for counsel and prayer. Rev. Raphael de Peyer (above) has appeared on radio and TV throughout North America.

MEETINGS

Regular meetings are held at Faith Center every Sunday afternoon and Thursday evening. Above, Rev. Jana Bernadette, Co-Director of Faith Center, plays guitar at a Lord's Day Celebration (Sunday service).

THE CLOWN MINISTRY



Caring for seriously and terminally ill children can be harrowing and tragic for both family and hospital staff.

The purpose of the Clown Ministry is to channel God's love and laughter into situations which often seem dark and hopeless. Not only do the children love the clowns, but the hospital staff find relief from their visits, and the Lord uses this ministry to channel His healing love, causing recoveries where none were thought possible. Our pictures show (above) Daffydil (Rev. Nathania Gartman) at Egleston Hospital in Atlanta, and (left) Lilac (Rev. Grace Michaels) at Children's Hospital in Birmingham.

Thank you for coming to the hospital and visiting our patients. They loved having you as you no doubt noticed. We sincerely thank you for your thoughtfullness.

ANIMAL ACTION

Members are active on behalf of animals, especially in support of animal causes, through publications and speaking engagements. The two shown here were found new homes, with God's help.

Rev. Abigail Johns not only leads the Pet Therapy program, but also counsels at Death Row.

Thank you for coming to Egleston to see our kids on Easter. I really think you bring a lot of happiness to our kids and I appreciate you.

PET THERAPY PROGRAM

Specialists have found that pets have a remarkable healing effect upon the lonely and institutionalized. We have extended this concept to include children as well, creating a whole new sense of family and fun for the elderly. Above, 7 year old Leonora Asher and Crosby make friends with Ruby at an Atlanta nursing home.
